

Thank you!

Thank you!

Thank you!

Thanks to all who participated in last Friday's teacher luncheon. This one was rather short notice, and you all stepped up wonderfully. All the reports I've heard about the luncheon have been wonderful. The teachers and staff of Greywolf really appreciate your culinary efforts – and are really looking forward to the next luncheon!

Many of the teachers and staff were very interested in the recipes for the luncheon. Because of the number of requests, we are considering putting together a PTA fundraiser cookbook of Appreciation Luncheon Recipes. A lot of it depends on how much it would cost to print and bind a cookbook and correctly as a fundraiser. As this idea develops, I will keep you all informed. If you have any ideas about it, please send me your suggestions. I'm always interested in good ideas and good help!

If you didn't get a chance to share a soup and salad recipe for October, we have several more opportunities in the coming months for you to share your favorite dishes. We aren't looking for replies today; this is just to let your taste buds ponder the possibilities for the upcoming months. A call to the kitchen for November's luncheon will be coming in a couple of weeks. All of the luncheons are planned for the last Friday of the month:

November 30 -- Mexican

December 21 -- Hors'd yours lunch -- bring their favorite holiday dish, dessert, dips, etc.

January 25 -- Casserole creations

February 29 -- Roasted meats and potatoes

March 28 -- Italian

April 30 – Main Dish Salads

May 30 – Barbequed Hamburgers and Variety Sandwiches (subs, pitas, etc)

The menu can be broken down to main dishes, side (but no less important!) and salad type dishes, breads, and desserts. We'll probably be asking for a minimum of five volunteers for each of the groups.

Again, thank you for making this first luncheon such a success. You all made this happen, I was just privileged enough to have some yummy leftovers before clean up!
